IMPORTANT SAFETY RECALL

PASSENGER Air Bag Inflator Replacement – Safety Recall 2118A

NHTSA 18V-016

June 2018

This notice applies to your vehicle: 2009 Mazda B-Series Truck VIN _____

Dear XXXXX:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mazda Motor Corporation has decided that a defect which relates to motor vehicle safety exists in certain 2009 B-Series Trucks.

If you are a recipient of this notice, your vehicle is included in this Safety Recall.

In March 2018, you have received a notification of this safety recall 2118A, which is a permanent remedy replacement of the passenger air bag inflator, and that Mazda would notify you when the parts become available. We are pleased to inform you that the permanent remedy inflators are now available to complete the repair of your vehicle.

What is the problem?

The defect in these recalled vehicles could result in serious injury or death. The inflator which deploys the air bag, could explode resulting in sharp metal fragments striking the passenger or other vehicle occupants in the event of a crash that causes the air bag to deploy. This condition is more likely to occur if the vehicle had continued exposure to high levels of absolute humidity.

What will Mazda do?

Because Driving Matters, Safety Matters. Your Safety is Important to Mazda.

Your Mazda dealer will replace the passenger front air bag inflator with a new permanent remedy inflator, **FREE OF CHARGE.** The repair should take approximately one and a half hours to complete; however, it may take longer.

For the convenience of owners, Mazda will provide alternate transportation, if needed, when your vehicle is at an authorized Mazda dealership for a recall repair. Schedule an appointment with an authorized Mazda dealer and they will accommodate your needs.

What should you do?

We encourage you to contact any authorized Mazda dealer to schedule an appointment to have your vehicle repaired as soon as possible. You do not need to bring this notice to the dealer, but it may assist in the check-in process.
