NHTSA Recall 18V-268

IMPORTANT SAFETY RECALL

This notice applies to your vehicle: xxxxxxxxxx

Dear **First Name/Last Name**,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

WHAT IS THE REASON FOR THIS NOTICE?

Honda has decided that a defect which relates to motor vehicle safety exists in certain (**Model, Model Year**) vehicles. The passenger front airbag inflator that was replaced in a previous recall may have been incorrectly installed. If your vehicle has an improper remedy and is involved in a crash, the passenger front airbag will not deploy properly, increasing the risk of injury.

WHAT WILL HONDA DO?

The dealer will inspect and, if necessary, replace the passenger front airbag module for free.

WHAT SHOULD YOU DO?

Please call any authorized Honda dealer and make an appointment to have your vehicle repaired for free. Once you make an appointment for your vehicle, be advised that the total replacement process may take approximately 45 minutes. However, your dealer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to make your vehicle available for a longer period of time. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information!

Honda suggests that you avoid having a passenger sit in the front passenger's seat until the recall repair has been performed.

CHECK YOUR VEHICLE FOR OPEN RECALLS

You can check your vehicle's eligibility for repair under this or any other recall. Please visit the **Honda Recall Lookup** tool at www.recalls.honda.com and enter your Vehicle Identification Number (VIN).
