Dear IC Bus Customer,

This notice applies to your vehicle identified on the enclosed card. This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

IC Bus has decided that a non-compliance which relates to motor vehicle safety exists in certain 2018 and 2019 CE school bus models built 03/15/2017 thru 01/22/2018 with feature code 0510140 (emergency window).

REASON FOR THIS RECALL

Certain school buses may not conform to Federal Motor Vehicle Safety Standard (FMVSS) 217 – The force necessary to operate the emergency window release latch may exceed the maximum allowable force of 20 lbs.

RISK TO MOTOR VEHICLE SAFETY

In the event of a motor vehicle accident or vehicle fire, passengers may have difficulty pulling the release handle which could hinder a quick exit of the bus and increase the risk of personal injury or death.

DEFECT REMEDY

The repair will involve application of dry lubricant to all parts of the latch assembly and cycling the handle to work the lubricant in. Dealers have parts and instructions to repair your vehicle. The repair will be performed free of charge and take approximately 30 to 45 minutes to complete, depending on the number of emergency windows your bus has.
