DEALERSHIP INSTRUCTIONS

Please reference Safety Recall U52.

IMPORTANT SAFETY RECALL

Valve Stem Keeper

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain [2019 Jeep® Cherokee] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The engine in your vehicle ^[1] may have been built with a missing valve stem keeper or a reversed installed camshaft cap. A missing valve stem keeper may allow the valve to drop into the engine cylinder, leading to engine damage. An engine built with a reversed installed camshaft cap may allow material transfer to the camshaft bearing and subsequent camshaft seizure. **A missing valve stem keeper or a reversed installed camshaft cap may result in loss of motive power. A sudden loss of motive power can cause a vehicle crash without prior warning.**

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will inspect and install if missing an engine valve stem keeper and replace the cylinder head on reversed installed camshaft cap engines. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit. Your time is important to us; please be aware that these steps may require more time. The estimated repair time is four hours. We recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR CALL
YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
