## **IMPORTANT SAFETY RECALL**

**See enclosed VIN list.**

### **Subject: Lowmax Brake Hoses**

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Western Star Truck Sales, Inc. has decided that a defect which relates to motor vehicle safety exists on specific Western Star 4900 model vehicles manufactured June 23, 2011, through June 5, 2018.

On certain vehicles, the clearance between the hood and the front brake hose may not be adequate. Articulation of the suspension and relative movement of the hood could lead to chafing of the front brake hose resulting in a possible air leak. A damaged brake hose may lead to reduced brake effectiveness, increasing the risk of a crash.

For the final remedy, the hood-to-hose clearance will be increased, and the front brake hose will be replaced if needed.
