**Subject: Safety Recall 47N6 – Gas Bubbles in Rear Brake System
Certain 2018 Model Year Audi Q5 & SQ5**

Dear Audi Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Audi has decided that a defect, which relates to motor vehicle safety, exists in certain 2018 model year Audi Q5 & SQ5 vehicles. Our records show that you are the owner of a vehicle affected by this action.

Audi of America, Inc.

What is the issue? Due to a supplier production issue, the brake caliper piston coating was not applied according to manufacturing specifications. This can allow gas bubbles to form in the brake system, reducing vehicle brake performance and increasing the risk of a crash.

What will we do? To correct this defect, your authorized Audi dealer will bleed the rear brakes. This work will take about an hour to complete and will be performed for you free of charge.

What should you do? Please contact your authorized Audi dealer without delay to schedule this recall repair. For your convenience, you can also visit www.audiusa.com and click on the “Find a Dealer” link to locate a dealer near you and schedule this service.

Precautions you should take Contact your authorized Audi dealer immediately if you have any concerns about the vehicle's braking system.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Audi dealer fails or is unable to complete this work free of charge within a reasonable time, please contact Audi Customer Experience at 1-800-253-2834 or via our “Contact Us” page at www.audiusa.com.
