123 Main Street
Anywhere, USA 12345

Your Vehicle Identification Number (VIN): 12345678901234567

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

The Lincoln Motor Company has decided that a defect which relates to motor vehicle safety exists in your vehicle, with the VIN shown above.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

- What is the issue?** The high-pressure fuel pump flange weld may crack, allowing the high-pressure fuel pump to move while the engine is running.
- What is the risk?** Movement of the high-pressure fuel pump may cause the fuel tubes to leak. A fuel leak in the presence of an ignition source increases the risk of a fire.
- What will Lincoln and your dealer do?** The Lincoln Motor Company has authorized your dealer to replace the high pressure fuel pump free of charge (parts and labor).
- How long will it take?** The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.
- What should you do?** Please call your dealer without delay to schedule a service appointment for Recall 18S17. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.
- Lincoln owners affected by this recall have the option of requesting complimentary Pickup & Delivery service with a Lincoln vehicle for use during service. Please request Lincoln Pickup & Delivery through your dealership if you would like to take advantage of this option.
- If you do not already have a servicing dealer, you can access www.Lincolnowner.com for dealer addresses, maps, and driving instructions.
- The Lincoln Motor Company wants you to have this safety recall completed on your vehicle. The vehicle owner is responsible for making arrangements

to have the work completed. The Lincoln Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
