IMPORTANT SAFETY RECALL

Rear View Mirror

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA has decided that certain [2018 (JC) Dodge Journey] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 111, Rear Visibility.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The rearview mirror on your vehicle ^[1] may have been built with a backup camera display where a cautionary message text may obstruct a small part of the required field of view until 2.75 seconds after REVERSE is selected, resulting in a partially obstructed required field of view for .75 of a second. **A temporarily reduced or diminished rear visibility when the cautionary message text is present in the display could lead to increased risk of injury to people outside of the vehicle in the event the driver does not check surroundings through traditional means.**

The condition described above does not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 111, Rear Visibility which requires that a specified field of view is displayed within two seconds of selecting REVERSE on the transmission.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will replace the rear view mirror. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit. Your time is important to us; please be aware that these steps may require more time. The estimated repair time is one hour. We recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
