Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Thor Motor Coach (TMC) has decided that a defect which relates to motor vehicle safety exists in certain 2018 ACE 27.2 motorhomes. As a result, TMC is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been decided that on certain 2018 ACE 27.2 motorhomes, the rubber LP hose may have been incorrectly secured by TMC which could cause the hose to sag and rub on the tire in the rear right wheel well. ***What we
will do***

TMC has contacted your selling dealer and has instructed them on how to inspect and, if needed, properly secure the LP hose. This will be done at no cost to you the owner. The remedy should take approximately **20 minutes** to perform.

***What we need
