IMPORTANT SAFETY RECALL

This notice applies to your vehicle: «VIN»

«Owner_name»
 «Street»
 «City», «State» «Zip»

Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. KZRV has decided that a defect which relates to motor vehicle safety exists in certain 2018 & 2019 Model Year KZRV Connect C261RL Travel Trailers. As a result, KZRV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

Reason for this recall

The vehicles subject to this recall were built with the liquid propane (LP) supply lines routed through a wheel well and are not adequately protected from debris. The LP system may be become damaged by debris and could result in a fire or explosion resulting in personal injury or death.

What we will do

The remedy is to re-route the LP supply lines away from the wheel well. The repair should take approximately 60 minutes to complete.
