NHTSA Recall 18V-599

## **IMPORTANT SAFETY RECALL**

This notice applies to your vehicle:

Dear

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

### **WHAT IS THE REASON FOR THIS NOTICE?**

Acura has decided that certain 2017 model year NSX vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 108, Lamps, reflective devices, and associated equipment. Over time, normal driving vibrations can lead to a short circuit in the high mount stop light and a blown brake light fuse. If the brake light fuse blows when the vehicle is being operated, the brake lights will not illuminate when depressing the brake pedal, increasing the risk of a crash. Multiple warning indicators will display in the instrument panel to alert the vehicle operator in the event of brake light failure and the vehicle cannot restart once turned off.

### **WHAT WILL ACURA DO?**

The dealer will replace the high mount stop light for free.

### **WHAT SHOULD YOU DO?**

Please call any Authorized NSX Acura dealer and make an appointment to have the high mount stop light on your vehicle replaced for free. Once you make an appointment for your vehicle, be advised that the replacement process may take approximately 30 minutes to 1 hour 15 minutes. However, your dealer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to make your vehicle available for a longer period of time. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information!

### **CHECK YOUR VEHICLE FOR OPEN RECALLS**

You can check your vehicle's eligibility for repair under this or any other recall. Please visit the ***Acura Recall Lookup*** tool at [www.recalls.acura.com](http://www.recalls.acura.com) and enter your Vehicle Identification Number (VIN).

### **OWNER INFORMATION**

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner of this vehicle. If this is not the case, or if any of the information is not correct, please complete, sign and return the Information Change Card and we will then update our records. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

### **DO YOU STILL HAVE MORE QUESTIONS?**

**Should you have any questions about this recall, please contact your Authorized NSX Acura dealer.** Should you need additional assistance, you may contact Acura Client Relations at 1-844-682-2872 (NSX specific).

If you believe that American Honda or the dealer has failed or is unable to remedy the defect in your vehicle, without charge, within a reasonable period of time (60 days from the date you first contact the dealer for a repair appointment), you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE, Washington, DC 20590. Alternatively, you may call the NHTSA's toll-free Safety Hotline at 888-327-4236 (TTY 800-424-9153), or go to <http://www.safercar.gov>.

We apologize for any inconvenience this recall may cause you.

Sincerely,

**American Honda Motor Co., Inc.**
