IMPORTANT SAFETY RECALL 18V-648

The Lion Electric Co.

To

Dear Customers,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Lion Electric Company is recalling certain 2016 Lion Lion C electric school buses. In the event of a crash, the ceiling joints may separate due to being assembled incorrectly. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 221, "School Bus Body Joint Strength."

Health and safety :

If the ceiling joint separates in the event of a crash, it can increase the risk of injury.

REMEDY :

For the compliance of this standard, we will send you a repair kit including : screws, positioning gauge, drill bits and a work instruction to carry out the work in a security context, free of charge. The recall repair will take 1 hour and 30 minutes to complete.

Warranty :

Please contact Mr. Légaré within the Lion Electric Co. for a rebate at this following address : garantie.warranty@thelionelectric.com and indicate this recall number : 2018recall01

There is still an attachment to this letter. You must return this document to the Service Guarantee. For more information, please contact us at this number : 1-855-546-6706, ext. : 229.
