**Subject: Compliance Recall 94L1 – Passenger Side LED Headlamp
Certain 2019 Model Year Volkswagen Jetta Vehicles Equipped with LED Headlamps**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that certain 2019 model year Volkswagen Jetta vehicles equipped with LED headlamps fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 108 *Lamps, Reflective Devices, and Associated Equipment*. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? The right (passenger side) headlamp in affected vehicles may not be positioned correctly. This makes the headlamp noncompliant with FMVSS 108 *Lamps, Reflective Devices, and Associated Equipment*. If this condition is present in the vehicle, it may reduce nighttime visibility for the driver and could increase the risk of a crash.

What will we do? To correct this noncompliance, your authorized Volkswagen dealer will replace the right (passenger side) headlamp. This work will take up to two hours to complete and will be performed for you free of charge.

What should you do? Please contact your authorized Volkswagen dealer without delay to schedule this recall repair. To set up an appointment online, please visit www.vw.com/find-a-dealer.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at www.vw.com/contact or by calling us at 800-893-5298.
