This notice applies to your vehicle: 20xx Mazda Model name VIN _____

Dear XXXXX:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mazda Motor Corporation has decided that a defect which relates to motor vehicle safety exists in certain 2010-2013 Mazda6, 2010-2015 CX-9 and 2010-2012 CX-7 vehicles.

If you are a recipient of this notice, your vehicle is included in this Safety Recall.

What is the problem?

The defect in these recalled vehicles could result in serious injury or death. The inflator which deploys the air bag, could explode resulting in sharp metal fragments striking the passenger or other vehicle occupants in the event of a crash that causes the air bag to deploy. What will Mazda do?

Your Mazda dealer will replace the passenger frontal air bag inflator with the modified one **free of charge**. The repair should take less than one hour to complete; however, it may take longer.

Mazda will provide alternate transportation when your vehicle is at an authorized Mazda dealership for a recall repair. To be eligible for alternate transportation, you must schedule an appointment with any authorized Mazda dealer so that they can discuss and accommodate your needs.

What should you do?
