This notice applies to your vehicle: «VIN»

Dear «Owner\_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in certain model 2019 Crossroads Cruiser and Volante Fifth Wheels. As a result, Keystone RV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for this recall***

It has been decided that the vehicles in the recall population may have been manufactured with an incorrect awning switch. As soon as possible, please make an appointment to have your RV serviced by your dealership. The labor time to perform this correction is approximately 1 hour. Please ask your dealer if you wish to know how much additional time will be needed to schedule and process your RV for this repair.
