Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Thor Motor Coach (TMC) has decided that a defect which relates to motor vehicle safety exists in certain 2018 & 2019 Chateau, Four Winds, and Freedom Elite motorhomes. As a result, TMC is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been decided that on certain 2018 & 2019 Chateau, Four Winds, and Freedom Elite motorhomes, there is not adequate space to run the LP line through the floor and far enough away from the bottom metal plate on Norcold refrigerators. The LP hose has the potential to rub on the bottom metal plate and possibly lead to a leak in the LP hose. This could cause a fire, which could result in serious injury or death.

***What we
will do***

TMC has contacted your selling dealer and has instructed them on how to inspect and, if needed, repair the routing of the LP hose. This will be done at no cost to you the owner. The remedy could take up to one (1) hour to perform.
