

**IMPORTANT SAFETY RECALL SC0414
NHTSA RECALL # 18V-765**

DEAR MACK TRUCK OWNER:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mack Trucks, Inc. has decided that a noncompliance with U.S. Federal Motor Vehicle Safety Standard 108, Lamps, reflective devices, and associated equipment exists in certain 2019 Granite model vehicles manufactured from February 8, 2018 to October 23, 2018 and equipped with a snowplow preparation kit.

SAFETY DEFECT:

Certain vehicles fitted with snow plow lamp prep-kits do not comply with U.S. Federal Motor Vehicle Safety Standard 108, Lamps, reflective devices, and associated equipment. Specifically, snow plow headlights can be turned on without other exterior lights, and high beam indicator does not work when snow plow high beams are on.

SAFETY RISK:

This could allow the vehicle to be operated with the snowplow headlamps on and marker and tail lamps off, making the vehicle harder to see and potentially increasing the risk of a crash causing injury and/or damage to property.

**PRECAUTIONS YOU

There are no precautions you can take other than having your vehicle inspected and repaired if needed by a Mack Parts and Service Center.
