Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Thor Motor Coach (TMC) has decided that a defect which relates to motor vehicle safety exists in certain model year 2017-2019 Challenger, Miramar, and Outlaw motorhomes. As a result, TMC is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been discovered that on certain MY 2017-2019 Challenger, Miramar, and Outlaw Motorhomes, the Irvine Windshield Motor Shade can have a sudden and unexpected lowering, which can block the vision of the motorhome driver. The cause has been identified as a slipping of the motor head inside the motor tube. If the Windshield Motor Shade were to lower during travel, this could block the vision of the motorhome driver. This could lead to a crash, which could result in property damage and/or serious injury or death.

***What we
will do***

TMC has contacted your selling dealer and has instructed them on how to repair the Windshield Motor Shade. This will be done at no cost to you the owner. The remedy should take approximately 15 minutes to perform.
