NHTSA Recall 18V-817

IMPORTANT SAFETY RECALL

This notice applies to your vehicle: XXXXXXXXXXXXXXXXXXXX

Dear FIRSTNAME LASTNAME,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

WHAT IS THE REASON FOR THIS NOTICE?

Honda has decided that certain 2017 – 2018 model year Civic Hatchback and Civic Type R vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 225 - Child restraint anchorage systems. Your vehicle either may not include an owner's information kit or may include an incorrect owner's information kit. In either instance, you would not have received written information required by FMVSS. Noncompliance with the written information requirements contained in certain FMVSS, such as Standard No. 225, may increase the risk of crash or injury.

WHAT WILL HONDA DO?

The dealer will install or replace the owner's information kit for free.

WHAT SHOULD YOU DO?

Please call any authorized Honda dealer and make an appointment to have the owner's information kit installed or replaced for free. Once you make an appointment, be advised that the complete process may take approximately 15 minutes. However, your dealer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to make your vehicle available for a longer period of time. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information!

CHECK YOUR VEHICLE FOR OPEN RECALLS

You can check your vehicle's eligibility for repair under this or any other recall. Please access the **Honda Recall Lookup** tool at www.recalls.honda.com and enter your Vehicle Identification Number (VIN).

OWNER INFORMATION

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title information, which indicate that you are the current owner of this vehicle. If this is not the case, or if any of the information is not correct, please complete, sign and return the Information Change Card and we will then update our records. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

DO YOU STILL HAVE MORE QUESTIONS?

Should you have any questions about this recall, please contact your authorized Honda dealer. Should you need additional assistance, you may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138, Twitter @HondaCustSvc, email or chat by going to <http://owners.honda.com/help/customer-relations>. Alternatively, you may call the NHTSA toll-free Safety Hotline at 888-327-4236 (TTY 800-424-9153), or go to <http://www.safercar.gov>.
