«City», «State» «Zip»

Dear «Owner\_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Airstream has decided that a defect which relates to motor vehicle safety exists in certain 2019 Model Year Airstream Interstate Nineteen Motor Homes. As a result, Airstream is conducting a safety recall.

***Reason for  
this recall***

The affected motor homes could have incorrect house battery fuses in the Interstate Nineteen which may cause an overloaded battery cable condition. The affected units have 150 Amp house battery fuses instead of the 100 Amp fuses required. The overheated wire would have the potential for fire which could result in property damage or personal injury. A fire could result even if the vehicle is unattended.

***What we  
will do***

The remedy is to replace the 150 Amp house battery fuses with 100 Amp fuses. This will be done at no cost to you the owner. The remedy should take approximately 30 minutes to perform.

***What we need  
you to do***

You should contact your selling dealer immediately to schedule a service appointment to have the defect repaired in your vehicle. If you have questions concerning this recall or if you need any assistance, please contact the **Airstream Customer Service Department** by mail at Airstream, P.O. Box 629, Jackson Center, OH 45334-0629, or by phone at 937-596-6111 ext. 7401 or 7411.
