This notice applies to your Hyundai, VIN: XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in certain model year 2018 Hyundai Elantra GT vehicles produced between July 20, 2018 and August 13, 2018 by Hyundai Motor Company in the Republic of Korea. Our records indicate that your vehicle is affected.

#### What is the problem?

Your vehicle is equipped with a panoramic sunroof motor that is programmed to prevent closing of the sunroof when obstructions are detected in its path of travel. The sunroof motor may have been programmed incorrectly during manufacturing resulting in a potential inability to detect certain obstructions while closing the sunroof. If an obstruction is not correctly detected, the motor may delay or fail to retract the moving sunroof increasing the risk of injury.

#### What Will Hyundai do?

Your Hyundai dealer will inspect and, if necessary, replace the panoramic sunroof motor with a new one. This procedure will be performed at **NO CHARGE** to you.

#### What should you do?

**Please contact your nearest Hyundai dealer to schedule the recall repair as soon as possible.**

The actual time required to inspect your vehicle will take less than one hour, however if replacement of your vehicle's panoramic sunroof motor is required, your vehicle may be needed longer; therefore we recommend scheduling a service appointment to minimize inconvenience.

#### If you have other questions

If you require further assistance, you may contact the Hyundai Customer Care Center at 1-855-371-9460. If you believe that the dealer or Hyundai has failed or is unable to remedy the defect within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <https://www.safercar.gov>.
