

Revision 1 September 2018

Dealer Service Instructions for:

# Safety Recall U74 / NHTSA 18V- 486 Tailgate Latch

---

**NOTE: Floor Plan Reimbursement added for models involved.**

## Remedy Available

**2015 – 2017 (D2) RAM 3500 Pickup**

**2015 – 2017 (DJ) RAM 2500 Pickup**

**2015 – 2017 (DS) RAM 1500 Pickup**

**2015 – 2017 (DX) RAM Truck (Mexico)**

*NOTE: This recall applies only to the above vehicles except if equipped with an 8 ft. box sales code (5ZF) built from May 24, 2014 through December 18, 2017 (MDH 052415 through 121802).*

**IMPORTANT: Some of the involved vehicles may be in dealer used vehicle inventory. Dealers should complete this recall service on these vehicles before retail delivery.** Dealers should also perform this recall on vehicles in for service. Involved vehicles can be determined by using the VIP inquiry process.

## Subject

The tailgate latch on about 1,429,000 of the above vehicles may have been built with a tailgate actuator limiter tab within the power lock actuator control assembly that may fracture allowing the lock rod control bracket to over-travel which may pull the lock rods and release the tailgate latches, potentially resulting in the tailgate inadvertently falling open at any time. An unintended opening of the tailgate while driving may result in a loss of unrestrained cargo from the truck bed. **Lost cargo may create a road hazard to operators and occupants of other vehicles, and can cause such vehicles to crash without prior warning.**

## Repair

Install a tailgate actuator stop block that will limit the pivot arm from over traveling and pulling on the locking/unlocking rods.

## Parts Information

<u>Part Number</u>	<u>Description</u>
68448027AA	Stop Block (MSQ 5)

## Parts Return

No parts return required for this campaign.

## Special Tools

No special tools are required to perform this service procedure.

**Service Procedure**

1. Open the tailgate.
2. If equipped with a tailgate liner, remove the screws and remove the tailgate liner.
3. Remove the fasteners that secure the tailgate cover to the inside of the tailgate and remove the cover (Figure 1).

**Figure 1 – Tailgate Cover**

4. Grasp the lock actuator solenoid boot to expose the actuator slider (Figure 2).

**Figure 2 – Actuator Solenoid Boot**

**Service Procedure (Continued)**

5. Insert the actuator stop block onto the solenoid slider (Figure 3).

**Figure 3 – Actuator Stop Block Installation**

6. Reinstall the actuator solenoid boot.

**NOTE: Lock actuator boot must be fully seated onto solenoid collar. Use an inspection mirror to visually verify the backside of the boot is fully seated.**

7. For vehicles without a tailgate liner, install the cover onto the tailgate and install the bolts.

**Service Procedure (Continued)**

8. Tighten the fasteners using the sequence shown to five N·m (44 In. lbs.) (Figure 4).

**Figure 4 – Fastener Tightening Sequence**

9. On vehicles with a tailgate liner, position the tailgate cover onto the inside of the tailgate.
10. Install the liner onto the tailgate.
11. Tighten the fasteners securely.
12. Close the tailgate and return the vehicle to the customer.

**Completion Reporting and Reimbursement**

Claims for vehicles that have been serviced must be submitted on the DealerCONNECT Claim Entry Screen located on the Service tab. Claims paid will be used by FCA to record recall service completions and provide dealer payments.

Use the following labor operation number and time allowance:

	<b>Labor Operation Number</b>	<b>Time Allowance</b>
Install tailgate latch actuator stop block	08-U7-41-82	0.2 hours
<b>Floor Plan Reimbursement</b>	<b>95-95-95-97</b>	<b>Calculate See Below</b>

**Floor Plan Reimbursement**

Floor Plan Reimbursement represents the vehicle’s average daily allowance (see table below) multiplied by the number of days the vehicle was in dealer inventory and not available for sale. This reimbursement is limited to the number of days from the date of the stop sale to the date that the remedy was made available. Note: If the vehicle was received by your dealership (KZX date) AFTER the stop sale date, you will use the KZX date instead of the stop sale date. For this Recall, the stop sale was initiated on **08/02/2018** and the remedy was made available on **09/14/2018**, therefore, the number of days cannot exceed **43** days.

<b>Vehicle</b>	<b>Average Daily Allowance</b>
<b>2015 - 2017 D2</b>	[REDACTED]
<b>2015 - 2017 DJ</b>	[REDACTED]
<b>2015 - 2017 DS</b>	[REDACTED]

**NOTE: See the Warranty Administration Manual, Recall Claim Processing Section, for complete recall claim processing instructions.**

## Dealer Notification

To view this notification on DealerCONNECT, select “Global Recall System” on the Service tab, then click on the description of this notification.

## Owner Notification and Service Scheduling

All involved vehicle owners known to FCA are being notified of the service requirement by first class mail. They are requested to schedule appointments for this service with their dealers. A generic copy of the owner letter is attached.

## Vehicle Lists, Global Recall System, VIP and Dealer Follow Up

All involved vehicles have been entered into the DealerCONNECT Global Recall System (GRS) and Vehicle Information Plus (VIP) for dealer inquiry as needed.

GRS provides involved dealers with an updated VIN list of their incomplete vehicles. The owner’s name, address and phone number are listed if known. Completed vehicles are removed from GRS within several days of repair claim submission.

To use this system, click on the “**Service**” tab and then click on “**Global Recall System.**” Your dealer’s VIN list for each recall displayed can be sorted by: those vehicles that were unsold at recall launch, those with a phone number, city, zip code, or VIN sequence.

**Dealers must perform this repair on all unsold vehicles before retail delivery.** Dealers should also use the VIN list to follow up with all owners to schedule appointments for this repair.

*Recall VIN lists may contain confidential, restricted owner name and address information that was obtained from the Department of Motor Vehicles of various states. Use of this information is permitted for this recall only and is strictly prohibited from all other use.*

**Additional Information**

If you have any questions or need assistance in completing this action, please contact your Service and Parts District Manager.

Get access to recall notifications, locate your nearest dealer, and more through this website or Mopar Owner's Companion App. You will be asked to provide your Vehicle Identification Number (VIN) to protect and verify your identity. The last eight characters of your VIN are provided above.

#### DEALERSHIP INSTRUCTIONS

Please reference Safety Recall U74.

# IMPORTANT SAFETY RECALL

## Tailgate Latch

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain [2015 – 2017 (D2) RAM 3500, (DJ) RAM 2500, and (DS) RAM 1500 Pickup] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The tailgate latch on your vehicle <sup>[1]</sup> may have been built with a tailgate actuator limiter tab that may fracture allowing the lock rod control bracket to over-travel which may pull the lock rods and release the tailgate latches, potentially resulting in the tailgate inadvertently falling open at any time. An unintended opening of the tailgate while driving may result in a loss of unrestrained cargo from the truck bed. **Lost cargo may create a road hazard to operators and occupants of other vehicles, and can cause such vehicles to crash without prior warning.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will install a tailgate actuator stop block that will limit the pivot arm from over traveling and pulling on the locking/unlocking rods. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit. Your time is important to us; please be aware that these steps may require more time. The estimated repair time is about one hour. We recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

#### VISIT RECALLS.MOPAR.COM/HELP FOR MORE INFORMATION AND ANSWERS TO FREQUENTLY ASKED QUESTIONS

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.

Customer Assistance/Field Operations
