Dear Valued Vehicle Owner,

We are writing to inform you of an urgent airbag safety recall affecting your 2005 GT. The airbag in your vehicle is defective and poses a serious risk. As your vehicle ages, the likelihood of the airbag exploding during a crash increases. If this occurs, sharp metal fragments can strike the driver and passengers, causing severe injury or even death.

Because of this danger, Ford has issued a **DO NOT DRIVE** advisory for your vehicle. Please contact your local Ford or Lincoln dealer immediately to schedule your **FREE airbag recall repair**. There is absolutely **no cost to you** for this repair.

For your convenience, mobile repair at your location, vehicle pick-up and delivery, or a loaner vehicle may be available at no cost. If you no longer own this vehicle, please visit fordairbagsurvey.com to update your information. If you have any questions, call our Airbag Recall Team at **888-985-0453**.

PLEASE DO NOT DRIVE YOUR VEHICLE UNTIL THIS REPAIR IS COMPLETE.

Protect yourself and your passengers. Schedule your free recall repair today.

Thank you for your attention to this important matter.
