IMPORTANT SAFETY RECALL
THIS NOTICE APPLIES TO YOUR VEHICLE
RECALL 180817REV
NHTSA # 18V559
Third Notice - April 2019

Dear Valued Holiday Rambler Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group, Inc., has decided that a safety defect relating to motor vehicle safety exists in certain model year 2018-2019 Holiday Rambler Prodigy, Class C motorhomes manufactured in Elkhart, Indiana between October 20, 2017 and March 15, 2018 and equipped with a diesel-fueled generator.

WHAT IS THE PROBLEM?

On motorhomes affected by this recall, the exhaust pipe attached to the diesel-fueled generator may be routed in close proximity to the polypropylene, gray-water waste tank.

If the exhaust pipe for the diesel-fueled generator contacts the polypropylene, gray-water waste tank, and the temperature at the point of contact causes the tank material to begin to melt or blister, it may pose a risk of fire.

WHAT SHOULD YOU DO?

Please make certain your motorhome is immediately inspected and repaired by contacting an **authorized REV Recreation Group, Inc. dealer.**

For assistance locating an **authorized REV Recreation Group servicing dealer**, you may visit this web page:

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV dealers have been supplied with all of the information needed to enable them to inspect, and if necessary, lengthen and re-route the diesel-fueled generator's exhaust pipe to avoid contact with the gray-water waste tank. The gray tank will be repaired or replaced if necessary.

The repair should take approximately one hour to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact REV Recreation Group Owner Relations at (800) 509-3417.
