07/29/2020

This Notice applies to your vehicle VIN listed above.

Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act (US) and the Motor Vehicle Safety Act (Canada). Forest River – Office of Corporate Compliance (“OCC”) has decided that a defect, which relates to the motor vehicle safety, exists in certain 2019 Coachmen Apex, Spirit, and Forest River Primetime Impression and Tracer travel trailer recreational vehicles. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

### **WHAT IS THE DEFECT/NONCOMPLIANCE?**

As per Dexter Axles recall #18E100 - Insufficient grease on inner hub bearings, On certain travel trailers, the axles may not have enough grease on the inner hub bearings.

### **EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.**

As per Dexter Axles recall #18E100 - Overheating bearings and hubs and possible bearing failure. This could cause the bearings to overheat and fail, potentially resulting in wheel lockup or separation. This may result in a loss of control causing a crash. In addition, a loose wheel assembly could strike another vehicle, stationary object, or bystander, causing injury and/or property damage.

### **WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?**

The remedy for this recall is available with this notification. Forest River is notifying dealerships of the recall, and remedy Dealers will inspect all hub assemblies. If there is insufficient grease and the bearings are in new condition, the bearings will be repacked, and the hubs reinstalled. If the bearings show any signs of wear, the hubs and bearings will be replaced. If the axle beam shows any damage, it will also be replaced. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

### **WHAT SHOULD YOU DO?**

Please contact your dealer without delay and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for making arrangements to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit [www.forestriverinc.com](http://www.forestriverinc.com) for dealer locations.

### **HOW LONG WILL THE REMEDY PROCESS TAKE?**

The estimated time of repair is 1.00 to 1.25 hours, per axle. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

### **WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?**

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized.

Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.

# IMPORTANT SAFETY RECALL

Please send the service invoice to the following address:

Primetime  
Forest River, Inc.  
Attn: WARRANTY MANAGER  
200 SR 19
