This Notice applies to your vehicle VIN listed above.

Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act (US) and the Motor Vehicle Safety Act (Canada). Forest River – Office of Corporate Compliance (“OCC”) has decided that a defect, which relates to the motor vehicle safety, exists in certain 2019 Salem SBT22RBHL and 2019 Wildwood WBT22RBHL travel trailer recreational vehicles. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

WHAT IS THE DEFECT/NONCOMPLIANCE?

The Power cord hatch is installed directly above the exhaust for the water heater. This can cause the cord and/or hatch to get melted by the heat being discharged by the water heater.

EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.

The water heaters' exhaust may melt the 30AMP power inlet and/or the 30AMP cord and the internal sheathing of the wiring, exposing bare wiring which may lead to an electrical short or fire, and potentially electrocution if an operator touched the exposed wiring.

WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?

The remedy for this recall is available upon receipt of this notice. Forest River is notifying dealerships of the recall and providing the dealerships with the remedy instructions. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy.
