Dear Audi Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Audi has decided that a defect, which relates to motor vehicle safety, exists in certain 2009-2011 model year Audi vehicles equipped with a Takata passenger frontal airbag. Our records show that you are the owner of a vehicle affected by this action.

The passenger frontal airbag inflator could potentially explode if the vehicle is involved in a crash where the passenger frontal airbag is designed to deploy. If this happens, metal fragments could pass through the airbag material, which may result in serious injury or death to vehicle occupants.

Replacement parts are not yet available. Audi will send you another letter as soon as we can perform this recall on your vehicle. In the meantime, Audi recommends avoiding use of the front passenger seat whenever possible until the recall repair has been performed.

To check your vehicle's eligibility for repair under this or any other recall/service campaign, please visit the **Recall/Service Campaign Lookup** tool at www.audiusa.com and enter your Vehicle Identification Number (VIN).

If you should have any questions about this communication, please contact Audi Customer Experience at 1-800-822-2834 or via our "Contact Us" page at www.audiusa.com.

If you still cannot obtain satisfaction, you may file a complaint with: The Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Sincerely,

Audi Customer Protection

If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.
