Good Morning [REDACTED]

I am not actually a buyer for a super car even though I wish I were...I am the Head of Aftersales for McLaren and I am trying to ensure all exotic car dealers such as yourself are aware that McLaren will pick up and deliver any McLaren in stock for free if the car requires the TAKATA airbag recall.

Please see message below:

# TAKATA Airbag Recall

**Which Vehicles**

- 12C
- 650
- 675
- P1
- 570

**What To Do**

- Call your McLaren Retailer
- Arrange an appointment time that is convenient for you

**McLaren Will**

- Identify if your McLaren is in need of the airbag replacement
- Replace the passenger side airbag with updated part
- Perform a Free Health and Safety inspection on your McLaren
- Transport your McLaren to and from the authorized retailer free of charge

**Don't Risk It, Fix It!**

Until your airbag is fixed, you're putting yourself, your spouse, your child, your best friend, or whoever's in your vehicle, in danger every time you drive. Because this isn't just a recall. **It's a public safety crisis.**
