FOR YOUR SAFETY, TAKE ACTION

IMMEDIATELY Dear FIRSTNAME,

According to our records, your Land Rover vehicle’s front passenger airbag is defective and needs to be replaced immediately.

When a defective airbag is exposed to high heat and high humidity over a number of years, the chemicals used to inflate the airbag may deteriorate. In the event of a crash, the airbag can explode and shoot sharp metal fragments, which can cause **serious injury or death** to the people in the vehicle.

Any authorized Land Rover Retailer can replace the front passenger airbag in your vehicle for free regardless of where the vehicle was purchased. The airbag recall repair is expected to take approximately two hours. If required, a free loaner vehicle will also be provided to you upon request.

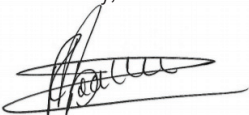

LIMITED TIME OFFER: RECEIVE A COMPLIMENTARY LAND ROVER FACTORY AUTHORIZED OIL SERVICE AND A COMPLIMENTARY \$200 LAND ROVER SERVICE VOUCHER WHEN YOUR AIRBAG IS REPLACED.**

SCHEDULE YOUR FREE AIRBAG RECALL REPAIR DATE TODAY!

Contact your preferred authorized Land Rover Retailer with your Vehicle Identification Number (VIN). You can locate an authorized Land Rover Retailer using the “FIND A RETAILER” function on LandRoverUSA.com.
