

A TIME OF REFLECTION

GIVE THANKS FOR SAFETY WITH THIS FREE TAKATA SAFETY RECALL REPAIR

Your vehicle's front passenger airbag is defective and has been recalled. In the event of airbag deployment, metal fragments could pass through the airbag, striking you and/or the passenger and result in **severe injury or death**.

Millions of vehicles from 19 different vehicle manufacturers have been recalled for the potentially **life-threatening** defect in their Takata airbags. According to the National Highway Traffic Safety Administration, hundreds of injuries and 16 deaths can be attributed to these defective airbags.

It is **EXTREMELY URGENT** that you contact your local Land Rover retailer to get it repaired immediately at **ZERO COST**.

FREE!!!

This urgent safety recall is being offered **completely free** and **at zero cost to you**. There is no charge for this repair. We're looking to protect our customers and keep you safe this Thanksgiving season. Give your local Land Rover retailer a call today to schedule an appointment. Ask your authorized Retailer about our incentives.

EASY!!!

Not only is this repair **critical**, but we're also dedicated to making it as easy as possible. The repair takes about three hours, and in addition to fixing the defect, we will give you a free loaner car to use while we perform the repair. Request a free loaner car when you schedule your appointment.

SAFE!!!

This recall is the largest of its kind in U.S. history. Don't let your holiday season get ruined by a **defective airbag**. Bring your car into your local Land Rover retailer to have this **emergency recall repair** completed for **FREE**. Keep the holidays safe, happy and thankful this year!
