

TOPIC	TYPE	RECALL CODE	QUESTION	ANSWER
Center Bench Seat Safety Belt Buckles	Safety Recall	69X1	What vehicles are included in Safety Recall 69X1?	Certain 2018 model year Volkswagen Atlas vehicles equipped with a second row bench seat.
			What is the safety concern for Safety Recall 69X1?	If a child restraint with a larger than recommended base is installed in the center position of the second row bench seat, it may damage both the center and adjacent outboard safety belt buckles. A damaged safety belt buckle can release unexpectedly, increasing the risk of injury in a crash.
			What is the repair for Safety Recall 69X1?	The second row bench seat center and adjacent left (outboard) safety belt buckles will be inspected and, if necessary, replaced. Volkswagen will also provide an owner's manual supplement addressing child safety and child restraints. The recall repair is FREE.
			When will the repair for Safety Recall 69X1 be available?	Parts are available now and repairs have begun. Please contact your local Volkswagen Dealership to schedule an appointment. If you are not familiar with one, please click here to locate a Volkswagen Dealer near you.
			Are there any precautions I should take because my vehicle is part of Safety Recall 69X1?	Yes. If you notice any damage to the second row bench seat safety belt buckles in your vehicle during or after child restraint use, please contact your nearest Volkswagen dealer right away to have the issue addressed. Click here to schedule an appointment.
			I've never used a child restraint in my vehicle. Do I still need to have this recall completed?	Yes. To help ensure your safety and the safety of your passengers, it's important that you have this recall completed on your vehicle.
			What additional information will Volkswagen provide affected owners about using a child restraint in the center seating position of the second row bench seat?	Volkswagen will provide owners of affected vehicles with an owner's manual supplement addressing child safety and child restraints. The information in the supplement will provide you with additional information that you can use in conjunction with the information already in the owner's manual that came with your vehicle.
