

G 310 R and G 310 GS Recall Parts Update

The auto shipment of parts for the G 310 R and G 310 GS has now been completed.

All dealers have been shipped enough parts to repair in stock dealer units and at least one customer.

Moving forward:

G 310 R – There are a handful of Milled Side stand kits remaining in stock and open for order. Once sold out they will be marked NLA, and all repairs should move to the Forged part solution. Forged parts are in stock with more shipments coming weekly and have been unblocked for dealer order as needed.

G 310 GS – A small quantity of Milled Side stand kits are available. Once sold out they will be marked NLA, and all repairs should move to the Forged part solution. Forged parts will remain blocked from dealer order until the Milled parts are sold out. Forged parts are expected to begin arriving in mid-October.

Tool Spare Parts are due to arrive in early November. In the case the milling tool is worn out, dealers should order the complete kit 2464250 as per the bulletin.

Please order responsibly.
