Subject: **Update - Recall Campaign 18V-755 (SI B11 17 18): Exhaust Gas Recirculation (EGR) Cooler Inspection**

Replacement N47T Intake Manifolds are now available if they are needed to perform this Recall repair.

**Effective Immediately, the N47T Alternate Transportation Measures information is no longer necessary and it has been removed from SI B11 17 18.**

**With the removal of the Alternate Transportation Measures, BMW NA will no longer accept new short-term rental car requests and we will eliminate these rental car claim payments on January 31, 2020.**

Please use the time between today and January 31, 2020 to inform the affected customers, order the parts, schedule this repair and complete the Recall repair.
