Dear Mr. Edwards:

This letter serves to acknowledge Dorel China America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BABIDEAL/STORM BOOSTER/9999

Mfr's Report Date: October 17, 2019

NHTSA Campaign Number: 19C-002

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 28,800

Problem Description:

Dorel China America, Inc. (DCA) is recalling certain Babidéal Storm Booster Car Seats, model BC901BPXL, sold exclusively at Family Dollar Stores. The label attached to the fabric cover may not have the required safety warnings and instructions. As such, these child seats fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 213, "Child Restraint Systems."

Consequence:

Without the safety warnings and instructions, caregivers may not know the risks or how to properly use the child seat, increasing the risk of an injury in the event of a crash.

Remedy:

DCA will notify the registered owners, and will provide a replacement fabric cover that has a compliant warning label in place, free of charge. The recall is expected to begin December 9, 2019. Owners may contact DCA customer service at 1-877-657-9546 or text 1-812-373-6673.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

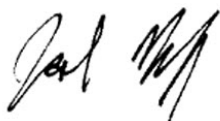

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
