**Subject:** WiFi Power Converter May Overheat

Dear Mr. Maliwauki:

This letter serves to acknowledge Linora Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

WIFIRANGER/DC STEP UP CONVERTER/9999

**Mfr's Report Date:** May 20, 2019

**NHTSA Campaign Number:** 19E-034

**Components:**

EQUIPMENT:ELECTRICAL

**Potential Number of Units Affected:** 2,800

**Problem Description:**

Linora Corporation (Linora) is recalling certain WiFiRanger DC Step-Up power converters. These power supplies may overheat.

**Consequence:**

The overheating can increase the risk of a fire.

**Remedy:**

Linora has notified the manufacturers and distributors that purchased the product, and dealers for the affected vehicle manufacturers will replace the converter with a new unit, free of charge. The recall began May 20, 2019. Owners may contact Linora Corporation customer service at 1-208-321-5544. Linora's Corporation number for this recall is TSB 04-2019-24VDC.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

NHTSA is missing critical, required information for this safety recall. This information must be supplied through the NHTSA Recalls Portal within 5 working days of confirming its accuracy:

- A description of the basis for your company's determination of the recall population (49 CFR 573.6 (c)(2)).

Please be reminded of the following requirements:

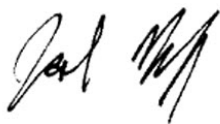

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff
