**Subject:** Airbag Modules Did Not Complete Testing

Dear Ms. Shute:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

MOPAR/AIR BAG/9999

**Mfr's Report Date:** September 12, 2019

**NHTSA Campaign Number:** 19E-062

**Components:**

AIR BAGS: PASSENGER SIDE FRONTAL

**Potential Number of Units Affected:** 26

**Problem Description:**

Chrysler (FCA US LLC) is recalling certain Mopar replacement passenger airbag modules, part number 68335088AA. The airbag modules did not complete developmental testing.

**Consequence:**

A passenger airbag module that has not completed developmental testing may not perform as designed when deployed in a vehicle crash, increasing the risk of an injury.

**Remedy:**

FCA US will notify owners, and dealers will replace the suspect passenger airbag modules with passenger airbag modules that have completed validation testing, free of charge. The recall is expected to begin November 1, 2019. Owners may contact FCA US customer service at 1-800-853-1403. FCA's number for this recall is VA4.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

We have received FCA US's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

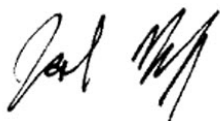

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Shiver who may be reached by phone at (202) 366-7401, or by email at [sarah.shiver@dot.gov](mailto:sarah.shiver@dot.gov). We look forward to working with you.

Sincerely,
