AIR BAGS:FRONTAL:DRIVER SIDE INFLATOR MODULE

Potential Number of Units Affected: 119,394

Problem Description: Volkswagen Group of America, Inc. (Volkswagen) is recalling certain 2015 Passat, 2015-2016 Eos, 2015-2017 CC, 2016-2017 TT Roadster, TT Coupe, 2017 Audi R8 Coupe, and R8 Spyder vehicles. Upon deployment of the driver's frontal air bag, excessive internal pressure may cause the inflator to explode.

Consequence: In the event of a crash necessitating deployment of the driver's frontal air bag, the inflator could explode with metal fragments striking the vehicle occupants potentially resulting in serious injury or death.

Remedy: Volkswagen will notify owners, and dealers will replace the driver's frontal air bag inflator with an alternative inflator, free of charge. The recall is expected to begin in March 2019. Volkswagen owners may contact Volkswagen customer service at 1-800-893-5298; Audi owners may contact Audi at 1-800-253-2834. Volkswagen's number for this recall is 69S8 (Audi) and 69Y5 (Volkswagen).

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
