Subject: Front Seats may Move in a Crash

Dear Mr. Guidi:

This letter serves to acknowledge Volvo Car USA LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

VOLVO/S90/2018-2019
VOLVO/XC60/2018-2019

Mfr's Report Date: March 20, 2019

NHTSA Campaign Number: 19V-220

Components:

SEATS

Potential Number of Units Affected: 2,297

Problem Description:

Volvo Car USA LLC (Volvo) is recalling certain 2018-2019 XC60 and S90 vehicles. The driver and passenger front seat rail rear flange nuts may not have been installed during assembly.

Consequence:

If the nuts are missing, in the event of a crash, the front seat structure and position may be affected, increasing the risk of injury.

Remedy:

Volvo will notify owners, and dealers will inspect the front seat rails for missing flange nuts, installing them as necessary, free of charge. The recall is expected to begin May 17, 2019. Owners may contact Volvo customer service at 1-800-458-1552. Volvo's number for this recall is R19931.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Volvo's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

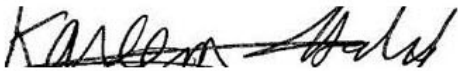

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to Volvo Cars instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Jennifer Kruger who may be reached by phone at (202) 366-2461, or by email at jennifer.kruger@dot.gov. We look forward to working with you.

Sincerely,

Kareem Habib
Acting Chief, Recall Management Division
Office of Defects Investigations
