Problem Description:

Weis Fire & Safety is recalling one 2018 Emergency vehicle built on a Ford F-550 4x4 Crew Cab chassis and equipped with Whelen brake lights recalled under 18E-063. Depending on the specific wiring of the vehicle, these brake lights may illuminate when the brake pedal has not been pressed.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
