Subject: Loss of Air Bag Acceleration Sensor Connection

Dear Ms. Shute:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JEEP/CHEROKEE/2019

Mfr's Report Date: June 13, 2019

NHTSA Campaign Number: 19V-449

Components:

AIR BAGS

Potential Number of Units Affected: 41,169

Problem Description:

Chrysler (FCA US LLC) is recalling certain 2019 Jeep Cherokee vehicles. The impact and acceleration sensors may fail and reduce the air bag system's ability to properly detect certain crash events.

Consequence:

In the event of a crash, the inability to properly detect a crash may result in improper air bag deployment, increasing the risk of injury.

Remedy:

Chrysler will notify owners, and dealers will replace the affected sensors, free of charge. The recall is expected to begin August 2, 2019. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is V63.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Chrysler's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Shiver who may be reached by phone at (202) 366-7401, or by email at sarah.shiver@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff
