Please review the following information to ensure that it conforms to your records as this information is being made available to the public. Mfr's Report Date: August 22, 2019

NHTSA Campaign Number: 19V-620

Components:

BACK OVER PREVENTION: SENSING SYSTEM: CAMERA

Potential Number of Units Affected: 11

Problem Description:

Daimler Trucks North America LLC (DTNA) is recalling certain 2019-2020 Thomas Built Minotour school buses. The school buses may be missing backup cameras. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rearview Mirrors."

Consequence:

The lack of rear visibility increases the risk of a crash.

Remedy:

DTNA will notify owners, and dealers will add a backup camera system, free of charge. The recall is expected to begin October 20, 2019. Owners may contact DTNA customer service at 1-800-547-0712. DTNA's number for this recall is FL-825.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

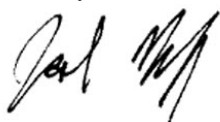

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
