Subject: Delay In Seatbelt-Unfastened Telltale/FMVSS 208

Dear Mr. Jones:

This letter serves to acknowledge Daimler Trucks North America LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

THOMAS BUILT BUSES/MINOTOUR/2020

Mfr's Report Date: October 10, 2019

NHTSA Campaign Number: 19V-718

Components:

ELECTRICAL SYSTEM: INSTRUMENT PANEL
SEAT BELTS:FRONT:WARNING LIGHT/DEVICES

Potential Number of Units Affected: 7

Problem Description:

Daimler Trucks North America LLC (DTNA) is recalling certain 2020 Thomas Built Buses Minotour school buses built on a GMC Savannah or Chevrolet Express chassis. The seatbelt-unfastened warning light will not illuminate for approximately five seconds after the ignition is moved to the "on" or "start" position. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 208, "Occupant Crash Protection."

Consequence:

Without the seatbelt warning reminder, the driver may forget to fasten the seatbelt, increasing the risk of injury in the event of a crash.

Remedy:

GM will notify DTNA owners, and GM dealers will reprogram the instrument panel cluster, free of charge. The recall began October 3, 2019. Owners may GM customer service at 1-800-462-8782 contact DTNA customer service at 1-800-547-0712. DTNA's number for this recall is FL-833.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

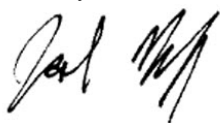

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Josh Neff", written in a cursive style.
