Dear Mr. Hurenkamp:

This letter serves to acknowledge Arcimoto Inc's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. ARCIMOTO/FUV/2019

Mfr's Report Date: November 19, 2019

NHTSA Campaign Number: 19V-832

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 22

Problem Description:

Arcimoto Inc (Arcimoto) is recalling certain 2019 FUV motorcycles. The ignition switch is missing the word "Ignition" and the "Off" position is not labeled with the word "Off." As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 123, "Motorcycle Controls and Displays."

Consequence:

The missing word labels could lead to operator error, increasing the risk of injury or crash.

Remedy:

Arcimoto will notify owners, and dealers will replace the key switch trim ring with a laser-etched key switch that contains an "Ignition" and "Off" label, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Arcimoto customer service at 1-541-683-6923.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.
