Subject: Rearview Image Can Remain on Radio Display

Dear Ms. Shute:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CHRYSLER/PACIFICA/2018-2019

Mfr's Report Date: December 12, 2019

NHTSA Campaign Number: 19V-886

Components:

BACK OVER PREVENTION: SENSING SYSTEM: CAMERA
EQUIPMENT:ELECTRICAL:RADIO/TAPE DECK/CD ETC.

Potential Number of Units Affected: 20,441

Problem Description:

Chrysler (FCA US LLC) is recalling certain 2018-2019 Pacifica vehicles equipped with an 8.4 inch radio display, 360 degree surround view camera system, and seat back video screens. A software error can cause the rearview camera image to remain displayed on the radio after the vehicle has been shifted out of reverse. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rearview Mirrors."

Consequence:

The lingering rearview image can distract the driver, increasing the risk of a crash.

Remedy:

Chrysler will notify owners, and dealers will update the radio software, free of charge. The recall is expected to begin January 31, 2020. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is VE2.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Chrysler's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

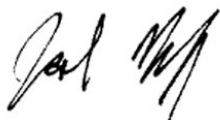

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Shiver who may be reached by phone at (202) 366-7401, or by email at sarah.shiver@dot.gov. We look forward to working with you.
