Re: Recall notice for Cargo Tray

This letter is to make you aware of a recall we are issuing for two MORryde Cargo Trays, model numbers CTG60-48115W & CTG60-48105W, sold between dates 3/23/2017 – 9/14/2018. It's been brought to our attention that the rivets securing the stop bracket could potentially fail causing the tray to fully extend and disconnect from the frame. There was a rivet change to these cargo trays on 9/14/2018 so any trays sold after that date wouldn't have this potential failure.

Due to the potential safety risk, MORryde is issuing a safety recall. Though we're not aware of any safety related issues currently, we're just erring on the side of safety for all our customers.

Please see the attached list for effected PO's.

For additional information on this recall, please contact MORryde Warranty.
