- Dealer Transportation Opcode is only to be used if the customer's vehicle was delivered to and from the dealer. Transportation sublet is not to exceed \$120. These claims may be subject to debit if it is determined that the vehicle was not picked up or delivered.
- Dealers will determine the transportation cost, which they are allowed to claim as sublet "DE", under the Dealer Transportation op code by multiplying their dealer labor rate by 0.7 hours (ex. \$100 x 0.7 = \$70 Dealer Transportation).
