SUBJECT: NEW VEHICLE DEMONSTRATION / DELIVERY HOLD - Advance Notice - Compliance Recall 19C05
Certain 2019 Model Year Fusion Energi
High Voltage Wiring Electrical Shock Protection

AFFECTED VEHICLES

Vehicle	Model Year	Assembly Plant	Build Dates
Fusion Energi	2019	Hermosillo	October 1, 2018 through December 14,2018

REASON FOR THIS COMPLIANCE RECALL

All of the affected vehicles may not conform to the new requirements specified by Federal Motor Vehicle Safety Standard (FMVSS) 305 for protection against direct and indirect contact of high voltage sources during everyday operation. Vehicles without the Bus Electrical Center (BEC) cover do not provide the enhanced level of contact prevention, increasing the risk of injury.

SERVICE ACTION

DO NOT DEMONSTRATE OR DELIVER any new in-stock vehicles involved in this compliance recall. A complete Dealer Bulletin will be provided to dealers by March 29, 2019 when it is anticipated that parts ordering information and repair instructions will be available to complete this recall for these vehicles.

CUSTOMER NOTIFICATION

Owners of record will be notified via first-class mail after repair instructions and parts ordering information have been provided to dealers.

PLEASE NOTE:

Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$21,000 per vehicle. Correct all vehicles in your new vehicle inventory prior to delivery.
