

<p>Safety Recall: Jayco 19V-169 2019-125 April 2019</p>
--

IMPORTANT SAFETY RECALL

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety, exists in certain Model Year 2017 -2019 Seismic fifth wheel manufactured **with optional hydraulic brakes.**

<i>Reason for this recall</i>	The hydraulic brake hose routing may be between the axle and frame. This location can damage and compromise the brake hose/s, resulting in loss of braking function, increasing risk of a crash.
--------------------------------------	--

<i>Recall Remedy</i>	All brake hoses require inspection for location and for damage. Replace hose/s noting damage and route as specified
-----------------------------	---

All pertinent information regarding this recall is available under the Service and Parts Tab of our Website. If you need further assistance, please Contact Customer Service at 800-283-8267.

<i>What we need you to do</i>	Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit <u>prior</u> to customer delivery.
--------------------------------------	--

VIN

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,
 Jayco Towables
