Safety Recall: Jayco 19V-270 2019-167
Entegra 19V-265 2019-166
April 2019

IMPORTANT SAFETY RECALL

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety, exists in certain Model Year 2014-2019 Precept, 2016-2019 Alante, 2019 Precept Prestige, Vision and Emblem Class A Motorhomes.

***Reason for
this recall***

There is inadequate overcurrent protection in the electrical circuit of the dash blower motor. In certain circumstances, the circuit wiring could over heat and cause permanent damage and increase the risk of a fire

***Recall
Remedy***

Place a 25amp fuse in the Ford F53 Power Distribution Box (position 23), place a label noting "FUSE POSTION 23 MAX SIZE 25AMP" into the fuse panel cover and inspect circuit wiring for possbile damage pior to the recall repair.

All pertinent information regarding this recall is available under the Service and Parts Tab of our Website. If you need further assistance, please Contact Customer Service at 800-517-9137.

***What we
need you to
do***

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit **prior** to retail delivery.

VIN

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,

Jayco Motorized and Entegra Coach
