Subject: A182202370-02 – Safety Recall  
Lower Control Arm Weld (Inspection Only)  
Revised Service Procedure, Warranty Information, and Parts sections

Models: 2017 – 2019 Chevrolet Trax and Tracker (Export)

To: All General Motors Dealers

The service procedure, warranty information, and parts sections were updated, and pictures were added for clarity. Please discard all copies of bulletin A182202370-01.

Vehicles involved in this safety recall were placed on stop delivery on April 18, 2019. This bulletin contains an inspection procedure for vehicles that are New and Unsold in dealer inventory as well as vehicles in dealership Used inventory and any customer vehicles that have specifically requested the inspection. Vehicles that pass the inspection procedure contained in this bulletin can be released from stop delivery or hold and be delivered to the customer. **Vehicles that do not pass the inspection procedure contained in this bulletin cannot be released at this time**, and a future revision to this bulletin will publish a final repair procedure for dealership-owned and customer-owned vehicles.

Also attached are the FAQs that were originally sent out on April 18, 2019.
